## International Post Graduate Program in Cardiology

Indo Global Cardio Diabetes Academy

### Introduction

Elevate your expertise in cardiovascular medicine with OC Academy's intensive International Post Graduate Program. Designed for practicing physicians and specialists, this comprehensive course combines a 9-month online curriculum with a 3-month clinical experience, providing a robust foundation in diagnosing, managing, and treating cardiac disorders. This program facilitates the development of critical skills essential for delivering advanced patient care and improving outcomes.

The program has three distinct components, each offering a unique and valuable perspective on cardiology management, as explained below:

### 1. Certification Course in Heart Failure and Heart Valve Disease

This foundational course covers key aspects of heart failure and heart valve disease. Developed in the UK by the British Heart Valve Association and NHS England, it features expert-authored eLearning materials, ensuring evidence-based knowledge for modern clinical practice.

### Key Topics:

- Cardiovascular Disease Prevention and Rehabilitation
- Heart Valve Disease: Diagnosis and Management
- Frailty, End-of-Life Care, and Heart Failure Management
- Heart Failure Management in Primary and Secondary Care Settings
- Heart Valve Disease: Endocarditis Considerations
- Essential Echo Report Interpretation for Heart Failure

### 2. Advanced Interactive Program

The program features a rigorous and evidence-based curriculum designed to provide in-depth training across a spectrum of cardiology conditions. Professionals will acquire advanced knowledge and refine their clinical reasoning skills through a blend of didactic lectures, case-based discussions, and interactive learning modules.

The curriculum is accredited by CPD and Indo Global Cardio Diabetes Academy, ensuring the highest quality education and global recognition in cardiology.

Indo Global Cardio Diabetes Academy

### Key Topics:

- Myocardial Infarction: Advanced Management Strategies
- Chronic Coronary Syndrome: Contemporary Approaches
- Acute Pulmonary Embolism and Pulmonary Hypertension: Diagnosis and Treatment
- Clinical Pharmacology for the Cardiologist
- Non-Invasive Imaging in Cardiovascular Disease: Principles and Practice
- Sudden Cardiac Arrest: CPR and Current Management Protocols

### 3. Clinical Training

3-month observership, providing professionals with hands-on experience in leading hospitals and specialised cardiology centres across India. Learn from experts and gain exposure to diverse clinical scenarios in cardiology.

### Our Network of Excellence with Top-Tier Hospitals

### Learn from Renowned Industry Experts

#### Course Director

**Dr. P P Mohanan**

MD, DM (Cardiology)

An esteemed cardiologist with over 30 years of expertise, currently leading as President of the Cardiological Society of India (CSI) while also serving as Director and HOD of Cardiology at West Fort High Tech Hospital in Thrissur. He has been honored with numerous awards, including the Distinguished Service Award.

#### Faculty

**Dr. Govindan Unni**  
MBBS, MD

**Dr. Abraham Oommen**  
MD, DM, DNB

**Dr. D Prabhakar**  
MD, DM, FAAC

### Course Curriculum

- Heart Failure and Heart Valve Disease
- Epidemiology of Cardiovascular Diseases (CVD) & Current Disease Burden in India
- Understanding the Value of Medical History, Risk Factor Assessment & Clinical Examination in CVD
- Role of Electrocardiography in Cardiovascular Disease
- Non-invasive Imaging in CVD: Types, Principles & Practice
- Chest X-ray and Ubiquitous Echocardiography -How helpful are they?
- Current Therapeutic Approaches for the Management of Heart Failure
- Hypertension: Burden, Role of ABPM, Current & Evolving trends in Diagnosis & Management
- Uncommon Drugs in the Management of Systemic Hypertension
- Sudden Cardiac Arrest: Importance of CPR & Latest Management Strategies
- Clinical Pharmacology for Cardiologists
- Latest Understanding of Cardio-metabolic Diseases, Preventive Strategies & Management
- Current & Evolving Concepts in Dislipidemia & Atherosclerosis Management
- A closer look at the Diagnosis & Management of Acute Myocardial Infarction
- Chronic Coronary Syndrome: What are the management obstacles & How to overcome them?
- Heart Failure- Current Burden in India, Diagnostic Trends & Updates on the Global & Indian Clinical Practice Guidelines in the Management of Heart Failure
- Acute Pulmonary Embolism and Pulmonary Hypertension: How to Manage?
- Women & Heart Disease - Are they different?
- Rheumatic Heart Disease: Clinical & Preventive Decision Making

## Why should you do this course?

Gain in-depth understanding of cardiology principles and practices through observerships at leading hospitals

Expert guidance from renowned industry experts

Blended, flexible learning format for busy professionals

Prestigious global accreditation by CPD & Indo Global Cardio Diabetes Academy for worldwide recognition

High earning potential with specialised skills

## Eligibility Criteria

Designed for MBBS and MD Doctors

# International Post Graduate Program in Cardiology

## Course Fee:

**INR 249,500+ GST**

## About OC Academy

OC Academy stands as the premier destination for advanced medical education, offering globally accredited programs for healthcare professionals. Committed to excellence, it provides flexible, comprehensive learning to meet the evolving healthcare landscape.

You now have the opportunity to upskill with OC Academy! Whether you're a recent graduate or a skilled practitioner, explore diverse learning paths designed to elevate your expertise through OC Academy's diverse programs:

**Certifications:** Developed and co-authored by the NHS (UK), these certified short-term courses enhance essential skills across 50+ specialties

**PG Diplomas & MSc:** Prestigious PGDip and MSc from UK Universities across 25+ specialities

**Post Graduate Programs:** 15+ internationally accredited training programs with foundational and super-speciality courses

**Fellowships:** 2-year Clinical Fellowship with Royal College Exam Training for a global career pathway
