

Certification Course in **PAEDIATRIC ANAESTHESIA**

(Course Duration - 3 months)

Introduction

The Certification Course in Paediatric Anaesthesia is a 3-month online course, featuring e-learning material co-authored by **E-integrity**, **NHS UK**, and the **Royal College of Anaesthetists**, for doctors seeking to build expertise in Paediatric Anaesthesia. This program, with 1 module and 22 chapters, covers paediatric anaesthesia topics like body composition, growth, pharmacokinetic differences, opioid use, and advanced life support. It also explores specialised areas such as head injury, multiple injuries, burns, septic shock, and child safeguarding.

About OC Academy

OC Academy is India's leading online upskilling platform for doctors. In collaboration with 35+ global institutes and 20+ hospitals, OC Academy curates industry-specific short term and long term courses, fostering a community for medical upskilling. Our online programs, designed to meet the evolving demands of the medical field, prioritise quality, accessibility and flexibility. OC Academy envisions a future where healthcare professionals in India have unparalleled access to transformative education, driving excellence in patient care.

Certificate

Upon completing the programme, you will receive a “certificate of completion”.

Teaching Methodology

Experience dynamic learning with content modules within the e-learning materials curated by expert doctors from internationally acclaimed institutions. Exploring concurrent topics and chapters at one's own pace, with guidance from the latest insights of industry professionals, ensures a comprehensive understanding of the specialty.

- **Interactive training:** The teaching methodology prioritises interactivity, with reading material authored by practising clinicians featuring content to enhance learning.
- **Global relevance for clinical trainees:** Designed to benefit clinical trainees worldwide, this program utilises scenario-based learning to improve skills in delivering anaesthesia among paediatrics.
- **Practical scenario-based learning:** Participants engage in virtual ward simulations, practising history reviews, examinations, management planning, and outcome assessments for delivering anaesthesia among paediatrics patients.
- **Convenient online accessibility:** This certification course allows studying from anywhere, facilitating quality e-learning material co-authored by prestigious institutions like the Royal College and NHS UK.
