

Certification Course in **OBSTETRIC ANAESTHESIA**

(Course Duration - 3 months)

Introduction

The Certification Course in Obstetric Anaesthesia is a 3-month online course, featuring e-learning material co-authored by **E-integrity**, **NHS UK**, and the **Royal College of Anaesthetists** for doctors seeking to build expertise in Obstetric Anaesthesia. This program, with 2 modules and 2 chapters, covers in-depth knowledge and practical skills, covering knowledge and skills needed to excel in obstetric anaesthesia practices, offering a comprehensive approach to obstetric anaesthesia.

About OC Academy

OC Academy is India's leading online upskilling platform for doctors. In collaboration with 35+ global institutes and 20+ hospitals, OC Academy curates industry-specific short term and long term courses, fostering a community for medical upskilling. Our online programs, designed to meet the evolving demands of the medical field, prioritise quality, accessibility and flexibility. OC Academy envisions a future where healthcare professionals in India have unparalleled access to transformative education, driving excellence in patient care.

Certificate

Upon completing the programme, you will receive a “certificate of completion”.

Teaching Methodology

Experience dynamic learning with content modules within the e-learning materials curated by expert doctors from internationally acclaimed institutions. Exploring concurrent topics and chapters at one's own pace, with guidance from the latest insights of industry professionals, ensures a comprehensive understanding of the specialty.

- **Interactive training:** The teaching methodology prioritises interactivity, with reading material authored by practising clinicians featuring content to enhance learning.
- **Global relevance for clinical trainees:** Designed to benefit clinical trainees worldwide, this program utilises scenario-based learning to improve skills in obstetric anaesthesia.
- **Practical scenario-based learning:** Participants engage in virtual ward simulations, practising history reviews, examinations, management planning, and outcome assessments for improving skills in obstetric anaesthesia.
- **Convenient online accessibility:** This certification course allows studying from anywhere, facilitating quality e-learning material co-authored by prestigious institutions like NHS UK and the Royal College.
